Human Trafficking Prevention and Education for Youth and Youth Workers

Training For Students

Human Trafficking 101:

- Informational overview of trafficking, including definition of terms, a look at who is involved, red flags for possible trafficking scenarios, and action steps for how youth can be involved in standing up against this problem.
- One 45-60 minute session.
- No cost to your school or youth program.

Empowering Youth to End Sexual Exploitation:

- Program looks at cultural myths, trends, and influences that feed into sex trafficking and sexual exploitation. Engages youth in activities, critical thinking, and learning to become change agents.
- Four 45-60 minute sessions, held once per week over a four-week period.
- No cost to your school or youth program.

My Life, My Choice:

- Program for adolescent females. Geared toward at risk or former victims of trafficking. Covers topics such as reducing risks of exploitation, developing self-esteem, and sexual health.
- Ten 75 minute session, preferably 1-2 sessions per week for consecutive weeks.
- No cost to your school or youth program.

Training For Staff & Community Members

Human Trafficking: Myths, Facts, and our Community's Response:

- An introduction to the issue of human trafficking, including scope, definitions, vulnerability factors for victims, indicators of possible trafficking, services available, and how to identify and report.
- Length is flexible, from 45 minutes to 1.5 hours.
- No cost to your school or youth program.
